

PERSONAL MENTION.

Messrs. Andrew Bethea and John Rourke of Savannah, Ga., spent the holidays at the home of Mr. E. L. Moore.

Mr. and Mrs. John Carmichael and family returned last week from Tampa, Fla., after spending the holidays with the latter's mother, Mrs. Kate S. Hamer.

Mr. G. E. Rancke, who has been been staying with his daughter, Mrs. Fred M. Lane for the past several months, has returned to his home in Lumberton.

The Woman's Missionary Society of the Baptist church will observe the week of prayer for foreign missions next week, beginning at the Baptist church next Sunday afternoon at 4:30 o'clock.

Mr. O. J. Pierce, Florida Representative of the Detroit Vapor Oil Stove Co., after spending the holidays at his home in Detroit, stopped over in Dillon on his way back to Florida and spent the day with Mr. W. A. Blizard.

Mr. George Bond, one of the most substantial citizens of the Raynham section, has moved to and will farm the Stafford place two miles east of Dillon. Many years ago Mr. Bond resided near Dillon and has many friends in this section who will be glad to learn that he has taken up his residence here once more.

A small frame building in the rear of G. L. Seals' store on Railroad avenue was destroyed by fire Thursday night. The origin of the fire is unknown. The prompt arrival of the fire department saved adjoining buildings from destruction.

Mr. I. T. Wood and family have moved to Marion where Mr. Wood has purchased the DuBose residence. Last fall Mr. Wood purchased the ice factory at Marion and he is moving there in order to be nearer his business. The Dillon factory will be in charge of his son, Mr. Josie Wood. Mr. Wood and his family have many friends in Dillon who regret to see them leave. They were prominent in the social life of the town and Mr. Wood himself is one of Dillon's most prominent and substantial business men. They carry with them to their new home the best wishes of scores of friends.

One of Dillon's oldest mercantile establishments passed into new hands this week when Mr. L. Cottingham disposed of his business to Mr. O. W. Jackson. Mr. Cottingham is one of Dillon's veteran merchants, having been in business continuously at the same stand for nearly fifteen years. During that time Mr. Cottingham has given his business very close attention and while he will continue to identify himself with the business interests of the town, he retires from the mercantile business so that he will be able to take life a little easier. Mr. Jackson is a young man full of energy and ambition and there is no doubting the fact that he will keep the business up to its former high standard.
